“ It was a privilege knowing Tom Schroeder over the years. Whenever I would come to visit, a warm handshake, a firm hug and Tom's wonderful infectious smile would always be there to greet me. Denise, Kenny, Marcus and I felt a great sense of loss when we heard of his passing, and we will miss him dearly. I know that he is in a better place, and I hope is at peace.

Love,

“ We met Tom and Jean in Key West about 20+ years ago. We all spent many an afternoon poolside enjoying each other's company and swapping stories. Our dinners together and the good times that our " same time next year gang" shared will always be a cherished memory for all of us who were fortunate enough to have known Tom. Tom served his country with pride and honor, we thank him for helping to keep us all safe and secure. God bless you Tom, our thoughts and prayers are with you and Jean. Gone but never forgotten, you will be missed.

“ *The battle is over...the fight is won...be thou at peace, Tom. Despite a short time together at FT Benning (71-72), we never served together but we have shared the same hardships and joys. You were a valued and inspirational member of the ever diminishing 'warrior class' supporting the freedoms that this great country -- and its people--enjoy. You are not lost..or gone....you are in your new 'home'...in the 'Mansions of the Lord.'* See you on the High Ground.

“ *Tom and Jean were our close friends for more than 25 years. We worked together at GMC and maintained close relations since his and Jean's arrival in 1986.. I know no other man so committed to helping serve others than Tom. Whether at MOAA, American Legion, or at a variety of community activities Tom gave whole heartedly of his time and talents. Alice and I are grieved at his passing but we are certain he is now at his well deserved place above.*

“ Tom and I were not acquainted at West Point but our paths crossed for a short  
time at Georgia Military College in 1987-88. I had retired and was managing  
GMC's public and government relations function while Tom was the GMC PMS.  
We shared some time together during the days and had one memorable Army-  
Navy game party. Tom was the ultimate professional soldier and performed his  
duties as one would imagine a West Point officer would. To Jean, I have said that  
you are not grieving alone. Tom's West Point Class of '66 is griping hands with  
you as we admire the courageous and loving wife you were to Tom. John Ford,

“ Tom and I entered and graduated West Point together. His parents and my Mom were best of friends at Ft Benning. Throughout our active service years, we never served together, but met up in 1977 when Tom paid us a brief visit in Garmisch for an overnight stay. I remember him as a wonderful person and classmate and I feel sad that we never got the opportunity to be closer. Rest in Peace, you will be Forever Young in my memory. Mike Fellenz, Class of '66.

“ Tom was my neighbor growing up! He always said encouraging words to me and told me to always think about the future like savings and etc. Tom's Life was already such an inspiration to me at that time when growing up because I knew some of the details of his service with The Army Rangers that he served with for our country! Such a good role model for me as a neighbor when I was growing up. I'am honored to have known Tom. To the family my deepest sympathy goes out. May the good memories carry you through this time. I'am praying for comfort for your family through this tough time. RIP, Sean Ferguson
