“ To Mrs Tillie's family,
I had the pleasure of knowing and working with Mrs. Tillie many years ago. She always had a hug, some thing funny to share and the most beautiful smile. I ran into her a few years ago and we both went "Don't I know you?" and the years faded away and we often had to move to another spot to talk. Her smile is certainly spreading thru Heaven.....love you....you will truly be missed.....
