“ *Tom was my mentor.
Tom was my friend.
I saw Tom as a father figure, and a little piece
of me as part of his beautiful family, whether
he ever knew that or not. I owe so much of
my knowledge, perseverance and successes to Tom & his
mentoring.*

*Not a week has passed since I moved from Milledgeville that Tom
has not been in my thoughts in some way. Something ALWAYS
reminds me of him; a memory spurred by something I see; a
business practice I learned from him; how to save deals to
everyone's benefit; and on and on.*

*Since I first met Tom--34 YEARS AGO--I have always held, and
always will, a special loving place in my heart for him and his family.*

*TJH, you touched and blessed more lives than I think you could
have possibly known.*

Rest In Peace my friend.

“ My prayers are with the family!! Just loosing my dad I can feel there pain!! Tom started his business Lakeside realty about the same time as my dad did 1973! Mr. Haley was a legend in the real estate business!! Many real estate companies came & went but Mr. Haley was wise enough to do what It took to keep his business going!! Like my dad they were determined that that no one was going to take them out!!! Mr. Haley was also successful in his personal life! He married one of the sweetest woman (Mrs. Betty) that I have ever met! However his biggest accomplishment/Legacy was raising three wonderful children Greg / Alan & Jody They are very wonderful hard working loving productive respectable people & I know he is proud of them all! Rest in peace Mr. Haley we will miss you!!!
