“ When I was in 5th grade, Dad helped me prepare for a spelling bee by being my 'fierce competition'. As we sat around the kitchen table, Mom would pronounce the words. Every time Mom would give Dad the word 'sheet', his answer was always, always, always, "Sheet. S H * T! Sheet." Hands down, true story. I placed 3rd. Every time I see my trophy, I smile and think of him!

“ Pam I feel your pain. There is one thing nobody can take away from you and that is all those memories. Just think of all the great years you had him. He's in such a better place. Another angle to watch over you and you family. One of the hardest thing you ever have to do. But know he's happy. If li can do anything let me know. Love you and your family.

“ To all the family of Tom Marshburn , I send my condolence. Tom was a good friend and hunting buddy.I have so many good memories of us hunting in the swamp.We always had to stop by George Hooks BBQ and later on the Pig OUT BBQ places to pick bbq on the way hunting.He would always stop in and talk to George Hooks while he was tending the BBQ.He never met a stranger and was liked by all.I was with him on our last hunting trip to the swamp in 04 we had a great time talking about old times and just getting outdoors again.He was a true friend and I will miss greatly.My prayers and thoughts to all the family and my he rest in peace. .
