“ I worked with Tommy for several years on the Central State Hospital Fire Department. I was impressed with his quiet nature and willingness to help in all that we had to do. Those of us who have "smelled smoke" and gone in harm's way know a work others only imagine. We are a brotherhood and when any one of us steps through the smoke curtain of this life to the other side we all feel the loss. Thank you for serving others Brother Firefighter.
