“ Our hearts are broken in the loss of this beautiful lady. Aunt Treeasian was a very special part of our lives. I will always treasure those precious memories growing up with my Dad, his sisters and his mom. Aunt T was an angel to me when my mom died and our son. She had experienced this same grief and reached out to me in my time of need. We didn't have all the answers to why our loved ones had to part from us, but we both agreed that God had all the answers and that we must have faith in Him and lean on His promises to us. What a glorious day in Heaven it was for her. She has reunited with her sons, her mother and her sisters and all the loved ones that had gone before her. No more pain, tears or suffering. God wants us to have peace in our hearts and trust in Him that he is taking care of our loved one and that we will see her again some day. Please know that you are all in my prayers and I love each and every one of you.##imported-begin##Joel & Diana (Flowers) Culpepper##imported-end##
