Tribute Wall

“ *To my Uncle Truman, you brought Joy to my life these past 5 years. John and I would, probably, never have gotten to know you if George hadn't brought you to Georgia. We are so grateful for that and all the fun times we had when your Georgia family got together. We will miss you but we know that you have been reunited with our dad, your mother, your father, Uncle Romine and Aunt Marion.*

God Bless You,

“ *He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5##imported-begin##Magallon Family##imported-end##*
