“ Cathy and Cindy,
I am so sorry to here of your loss. Your mother was a wonderful woman and it must have been wonderful for ya'll to have the memories of her. Gary and I were in the car last night and I saw her obituary and had to take a double take. Gary asked me who she was and I told her about our childhood, growing up and sneaking out of the house. She was so precious, we all know that she probably knew that we would sneak out at night, but she kept it to herself. I'm very glad to know that she was a part of my life for a while. She will be sadly missed. I love ya'll hope to see you all tomorrow. Kelly##imported-begin##Kelly Cox
