“ My friend you are loved and will be missed . You're with your mom and dad now and many other good people like you . Countless hours we spent together in the drug store stocking and selling cosmetics and working the pharmacy counter . Times I will never forget . ❤️

“ I shocked when I heard the news of Vickys passing. I remember spending the entire summer with her either at her house or mine. It was like our parents were interchangeable. She was so small but had the biggest heart. Will surly miss you. Part of the world has gone dark but you are in the arms of the Father.
