“ Vilee and I were classmates at Baldwin High School. She was an amazing person and friend. . A great nurse and someone who loved the Lord. She always had a word of encouragement. She will be truly missed. I will see you again when I get to Heaven. Praying for the family.

“ I cannot express in words how sorry I am to hear of Vilee's passing. For almost a decade, from 2002-2011, I was in and out of Ocone Regional Medical Center more times than I can count with health issues, and I had Vilee as my nurse many times. She was one of the best nurses, and truest friends you could ever find. She was always kind, caring, compassionate, and dedicated to her job and her patients. For years after her retirement I would see her around town, at Walmart or Dollar General or the grocery store, and we'd stand there and talk. I truly loved Vilee and will miss seeing her around. My deepest condolences to her family and her many friends. The world has lost a truly wonderful soul and Heaven has gained another angel.
