“ I will truly miss Virginia. She was one of my few remaining relatives that I could talk to about things in the past. She had such a sharp mind and the most loving spirit. She never failed to ask about everyone in my family and tell me that she loved us all. Brandy, you were indeed the light of her life. I know you will miss her terribly. May she rest in peace.##imported-begin##Sid and Gloria Corley##imported-end##

“ To my wonderful grandma...there are so many things I should have said, but didn't. Thank you for being such a big part of my life, both growing up, and as an adult. You were the one I would always talk to, without fear of judgement. You were the one whose eyes lit up at the mention of my name. When I look back to every important moment in my life, I remember that you were there for each and every one of them. Your family was the most important thing to you in life, even until the end. I hope you know how much we all love you and how much you are missed. I'm simply thankful that my children were able to meet their wonderful great-grandma. I picutre you with Uncle Rick and Tollie, explaining to them that you don't understand why we are all making such a big fuss over you. The sound of your voice saying "Oh, sweetheart, don't you worry about me" gives me comfort. I love you grandma.##imported-begin##BRANDY LAZENBY##imported-end##

“ Goodbye my friend. I knew you for 35 years and you were always an inspiration. From the time Dennis and I first married you loved me like a daughter, giving me unconditional love that I will always cherish. I will miss our phone talks and not being able to pick up that phone and call and tell you something funny that happened that day or just to have a sympathetic ear. Rest in Peace my friend.##imported-begin##Jenny Chambliss##imported-end##

“ *Dennis and Family,
I am going to miss that beautiful, witty Virginia. We had only known each other for a short time but she made me feel like family, had to give me a hug and kiss everyday. I loved it!
