“ I wish I had gotten to know Ginny. Her and my daughter Kaitlyn became friends. Kaitlyn did her hair the last couple years. They shared many stories and time spent together. I will always be grateful to Ginny for loving my girl. She has saved all of her voicemails and I am sure will treasure them always. Jack you are in our prayers.

“ She was a truly special lady with a great sense of humor and Irish wit. I was proud to be her daughter in law and my kids adored her and vice versa. She will be greatly missed, but her faith was strong and I know she's shown the red carpet into the pearly gates!

“*Ginny was special to me as she always welcomed me at Sacred Heart from the first time I attended mass. I enjoyed our conversations whether before or during the mass.*

she always made me happy to be a member of the church that I had left as a child because of doubts that I had. She was a bright light in the many Saturday rosaries and masses that we shared. I have missed seeing her these past months and was deeply saddened when I received notification of her death. I realize that she will be missed by many people and yet it was her time to be with Mary and others in heaven.
