“ *Mike, Gloria(Little Sister)and Family,
What a great loss we all share. As I was thinking of mine and Ginny's friendship, I realized it span a time of 53 years. We shared many things together, wonderful times, sad and lonely times, loss of parents and so much laughter and joking with each other, sometimes one trying to out do the other,but that's what Dear Friends do with each other. I know in my heart that Ginny,Louise and Charlie K. are doing a whole lot of catching up. Ginny talking, Charlie K. listening without the help of his hearing aid and Louise sitting and laughing that wonderful laugh in the presence of Our Lord and Savior. What a joyful time. Let us all that loved her remember that and how she touched our lives.##imported-begin##Rose Nance##imported-end##*
