My Aunt Tina, a wonderful and giving woman!! She always thought of other people, cooked for entire family's when things happed in the family's! She grew her own vegetables right outside her house when she couldn't she bought them a caned or froze them. There was always something on cooking. She loved a fire in the fireplace when cold weather was among us. She was always smiling. Treated me like one of her daughters growing up! Love you Aunt Tina, RIP, love you Brenda and Elaine and family!!
