I knew Vi during my time living and working in Georgia. We worked at the General Refractories plant in Stevens Pottery. Vi was a very intelligent and valued employee who always knew the right thing to do and kept the rest of us in line with a kind word and wise consult. I continued to work with Vi after leaving Georgia but was unable to maintain contact after closing the plant at Steven Pottery but thought often of Vi and will always have fond memories of her.

“ I spent a large portion of my life in Georgia with my grandparents. Aunt Viva was one of a group of family members that treated my sister Jeannie and me like we were "golden". We had a rough life otherwise and without the love and support of my cousins, Uncles, grandparents and Aunts I would probably have come to a bad end. I was talking about the Aunts and Georgia in general last night and cried harder than I have cried in a long time. Aunt Viva was grace and beauty personified. She was so loving and always kind. I cannot remember a harsh word or of having anything but good times with my Georgia family (contrary to the rest of my life situations). I always felt safe and loved by everyone. Aunt Viva was somebody I really looked up to a standard for true class. She will be missed in every way that matters.

I just found out this is my grandmother. My mother was Susie. I have a ton of emotions right now and hate I never got to meet either of them. But, learning a lot from all the kind words on here.

Thinking fondly of Viva who was the epitome of a beautiful southern lady. I never heard her raise her voice. She was a wonderful mother in law and an exceptional grandmother to my son Ryan. Thoughts and prayers for her and all the family. She was truly loved. Love you Viva, Cheryl

*I have thought of this lady many times through the years, since 1959. She and her family were good to me when I knew no one in McIntyre, GA.
Prayers that the Lord will keep and bless this family.*
