“ Although we did not share a lot of time together, the time we did spent together was wholesome and fun. I know now that you are at peace and in no pain with the Lord and that you can now entertain him with your joy as he did you in our world.

Thank You for all you gave us Vivian.

Sincerely,

Cody##imported-begin##Cody Wortman##imported-end##

“ What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why she left this earth so soon, or why she left before we were ready to say good-bye, but little by little, we begin to remember not just that she died, but that she lived. And that her life gave us memories too beautiful to forget. We are so sorry for your loss. Vivian was a wonderful person and will be missed. “ *Dear Brandi I am so sorry to hear of the loss of your mother. It is never easy to lose the ones we love especially then it comes to your parents. Take comfort in knowing that she is no longer in pain and the she has a new body with no cancer now that she is home with our heavenly father. I love you and if I can do anything please let me know.
