“ We met Mr. Wade when my granddad moved to GWVH. He was one of the first friends we made and he always went out of his way to comfort us during our transition. I spent many days talking with him before the pandemic wouldn't allow visitors and was glad to call him a friend. My dad enjoyed talking stocks with him as well. Prayers to the family for peace and comfort. Mr. Wade was one of a kind and our hearts are broken to hear of his passing.
