“ Always liked Walter. I remember him and Freddy Layton taking up time with us. His Dad, Dink, was a character as well. They all were father figures to a bunch of us.

“ I have so many wonderful memories of Walter Johnson. He lived 2 doors up from us in Riverview and would always come by to see my Father. His Father, Dink, was always there for my brother and myself. Great memories of them at Bonner Park. Later in life when my Father suffered his heart attack, Walter was one of the first to call and he kept calling. When Daddy was transferred to Augusta, Walter was there for us...my prayers are with his family. I loved Walter Johnson. He was very special to the Layton family. Patty Layton
