“ Dear Grimes family, I'm an RN at Atrium Navicent, I took care of Mrs. Wanda while she was at in the MICU. I am so deeply sorry for your loss. Mrs. Wanda was the sweetest patient I've ever had. I looked forward to caring for her each day I worked. She made me smile and laugh, she brightened my day each time I took care of her. I thoroughly enjoyed talking with her and listening to her life advice. I was so deeply saddened to hear of her passing. I will keeping her family in my prayers.

I am sure I heard your voice a lot while I sat on the phone with her. One nurse she called "sweet pea" and the other she said reminded her of her daughter. She liked all of her nurses she had in ICU. Thank you for taking care of my mama.
