“ I am shocked and saddened to learn of of Wanda's passing. She and I became friends while I worked at Wilco for three years. Her smile, encouraging words, caring spirit, and love of her family was always an inspiration to me. I won't forget how concerned she was during my husband Ronny's serious illnesses during my last teaching year. I could always count on her to ask about his well-being and assure me he was in her prayers. I am so sorry that I did not know Wanda was recently hospitalized. My prayers and thoughts are with her family. I feel as if I know her children, granddaughter,parents, sister, and extended family because she so often spoke lovingly of you and shared wonderful photographs. May God strengthen you all at this time.##imported-begin##Vicki Gholson##imported-end##
