“ *We have fond memories of times spent at University Baptist church in Anchorage with the Smith clan. Whenever we were together there was always food, laughter & fun. We survived the volcano spewing white ash together and several camping trips to Talkeetna and Nancy Lake. We are family, just far apart, but close in love of our Lord Jesus Christ! Love you all!*

“ You touched so many lives. You taught me that it's OK to laugh at yourself when you make a mistake. You taught me patience and to never let someone else's opinion define who you are. I am so thankful that you gave such a caring, loving, understanding, hard working man to be my husband. You raised him to be the best and that's what he is..the best. I will cherish all of our talks and all the laughs we shared. I know I wasn't the easiest to love sometimes but you always forgave me for my shortcomings and loved me like your own. I love you Wanda. I will miss you forever and I know you will always be in my heart. You were one hell of a woman. May you now rest in peace and harmony. Just give us a sign from time to time to let know you're with us. Love you forever.

“ We were so lucky to have got to know and love Wanda when her and her family were in Alaska. She babysat our son when he was 2, he was not an easy baby to watch and she gave him the attention he needed. We love you and are comforted by the thought that we will see you again in heaven!

Our love and prayers are with the Smith family right now.

Michelle I am so sorry I know your Mother held a special place in your heart. I remember all those Friday nights at Baldwin when she and I would sit together recalling all of our days in school together but most of all to see the band that night. She was so proud of you. My prayers are with you and all of your family at this very hard time. I pray that our loving God will hold you in his arms and give you peace. If there is anything I can do let me know.
