“ Betty and Family, Bethel will not be the same without Wendell. We have very fond memories of working with the two of you and enjoying many, many meals at the church. My first memory of Wendell was bring his mother to church in her hospital bed. We had just started visiting and it may have been our first visit. But that was just the beginning of a good friendship. Remembering the kids with you at church brings a smile to the face. I know it will be difficult but God has mighty broad shoulders. Love to you, Gayle & Cootie##imported-begin##Cootie & Gayle##imported-end##
