“ I'm so sorry to read about y'all's loss. He was the first person to speak when I moved back home from Atlanta and we had great conversations every time we saw each other. He was a great man a shining example to everyone.

“ Daddy, I will miss you. You were my hero. I always looked up to you. As a little girl I thought you were the best daddy a little girl could ever have. I remember you use to take me for a ride in the big truck. That made me the happiest kid ever. I will miss you and love you for ever.
