“ Wilbur and I were good friends back in the early 50's when the family lived at the Phillips plant housing SE of Sunray. We lost contact after they had moved. I tried over the years to locate Wilbur, but without success. I have many good memories of "running" with Wilbur, but we never got into any trouble. I am sorry for your loss, but know that Wilbur is in God's house now and is waiting for all of his family and friends.
