“ *Wilford was my uncle, I love him dearly. I'm very upset that no one reached out to tell me of his passing. I'm grateful I got to talk to him before he passed but I'm in Goergia right now, was on my way to visit him to give him a quilt his beloved sister made and I googled his address and the first thing I see is his obituary. I'm so upset about his passing. Rest in peace of wilford say hi to my mom. Love you*

“ *I worked with Wilford at Concord Fabrics for many years. You couldn't find a more laid-back, easy going person, who had a great sense of humor. He will truly be missed. My deepest sympathy to his family.*
