“ *I was very saddened to hear the news of my friend Billy. We had lots of conversations and laughs at Rheem. He was always a good friend to me. Always called me SuziQ. Saw him some before Covid when he did some AC work for us. He will be missed. My prayers are with you all Crystal and Owen. Y'all and little Ava were his greatest achievements. He bragged on y'all every time we spoke over the recent years. He was so proud of all of you. Sending lots of love.`*

“ Billy was a good friend of mine and coworker, he and I used to work at Rheem and get off and go install air conditioners and repair units. He also had a big and giving heart, I remember one year I was having a hard time financially and Billy knew that, so when I went to meet him to do some air conditioning work he handed me a check for a \$1000 dollars for Christmas and said have a good Christmas Travis Tritt, he always called me that. I will never forget his kindness and giving heart. I'm gonna miss you my friend. Travis

“ Billy and I go back a long way. He was always a Cowboy’s fan and I would always like a different team to aggravate him. One of my first crushes in junior high. He was so glad this past football season when Dallas was in the playoffs. We chatted a few times about that. Rest in peace my friend.

“ Billy and myself were United at the hip for almost all my 19-21 years of age life - we'd cruise around and listen to whatever was popular in music in his Z-28 and ride throughout Milledgeville and we would always end up at the “Opera House” and we'd have a full table of our friends- we even had our on corner of the club - because of Billy,I met my wife of 42 years as he and I were at our hang-out , the house , we called it -Opera house and Billy of coarse- knew my wife, Judy from them being best friends in high school and he kinda introduced us - “Owen”, is what I'd pick at him and call him when we had to much black Jack (Jack Daniels) and sometimes we'd go down to the “cellar” which his Mom owned and hang a while but we were always together and I guess married life kinda pulled us apart as it tends to dobut we will be together again my friend, up there so keep me a seat open - rest for now “Owen” cause when I get there you some splainin to doLove you man, Lee

“ *Prayers for Billy's family. He has always been at Harmony Baptist
Church since I have known him. He was very active and
participated at our church. He always repaired items when we
needed it and provided financial help for many years. He was
always very proud of Crystal and Owen and loved his
granddaughter. Our Lord was always reminded by Billy and how he
worked in his life. Love from Harmony for all of you.*
