“ *Bruce and Brian,  
My thoughts are with you both at this very difficult time. Your dad and mom were always very special to me. In fact, my earliest childhood memory is of the drive we made to Texas in 1954 to visit them. The many visits we made to your house in Trenton are good memories as well. Brian, you could barely walk, but you had no fear of jumping off the diving board!  
Love, your cousin Claudia*

*Frank and I want to extend our sympathies to you and your families at this sad time. We have many fond memories of both your parents and, believe it or not, I can still remember their wedding when I had to be bribed to walk down the aisle as their flower girl. They never let me forget that.*

*Love, your cousin Kathleen*
