“ *Jeff and I had the pleasure of meeting Mr. Boone almost 15 or so years ago. His perpetual yard sale and collection of kitties caught our eye, and we were instant friends! His constant and persistent work in getting veterans the benefits they needed impressed us. He was always ready to help anyone in need. In later years, after his amputation and many health battles, he would come and have lunch with us at our restaurant in Dublin. He was always quick with a compliment and an interesting story or two. He was a wonderful man and he will truly be missed! Our condolences to the family.##imported-begin##Beth Cremer##imported-end##*
