“ I'll miss you "Willie Bell". Just knowing that I'll never hear those words "he said featherhead" again makes me sad. Willie's family, I'm so so sorry for the pain that you are in. There are no words that help during a time like this. He was blessed in so many ways. But I think his family was his pride & joy. It was moving to watch the video. Watching him carry Kayla ALL the time just like he did Beverly when she was small. He will be missed. I didn't see him that often but, it was nice to know that you may run into him sometimes. My prayers are with you all... Johnnetta  
p.s. I have carried my nickname now for 24 years thanks to "Willie Bell"###imported-begin##Featherhead###imported-end##

“ Dear Precious Family: We extend our heartfelt sympathy to you in  
this time of your sorrow.  
We remember the good times we use to have after church services  
when we all met and ate. Mr. Willie always had a sweet treat to  
share with us. His quickwit always made us laugh. We know he was  
proud of the children and the adults they came to be and the  
grandkids were special to him. Ms. Janie, you have been his  
support and life partner. We will have all of you in our prayers
