“ To a Man I most Admired and respected, still do. I thought of you as a Father and a Dear Friend. I learned so much from you. You were so wise and real. I will never forget the times we shared. We did alot of things together, talking, repairing, joking and laughing. You were a Man I could trust and take at his word. I will never forget you and the times we shared. “ Dad I will always be your son and best Friend, I know you were mine. It is going to be so hard to go forth with out you. I will always look beside me to see if you are standing there. I might not see you but, I know that you will be here in mind and spirit. You were a great Father and always help me with anything I needed. I can not think of one time you were not there to pick me up. I know words can not express what you have done for me in my life. I know that a peace of my heart will always be missing.
