“ *The memory that keeps coming to my mind is when we were growing up in a big old house on N. Jefferson St. There was a chinaberry tree on the side and we climbed it all the time. But there was also a huge back porch. Eddie didn't laugh a lot even back then. We would sit on that back porch and say things to make one another laugh. I thought it was amazing because he was laughing. We weren't very old. Between 5 and 10 maybe but it was fun to see him laughing and to laugh with him. Love you, Bubba.*
